

Career Opportunity: Senior Forestry Engineer

Cascadia Environmental Services Ltd. is a dynamic and growing environmental consulting company located in Abbotsford, BC. We provide professional and technical environmental services to a variety of clients throughout British Columbia.

We are currently seeking a qualified applicant to fill the position of **Senior Forestry Engineer**. The ideal candidate should demonstrate the following minimum criteria:

1. A minimum of three years experience planning harvest blocks and forestry roads in Coastal British Columbia, including cable, ground-based, and helicopter harvest systems
2. Strong timber reconnaissance and valuation skills
3. Currently registered as an RPF/RFT or planning to enroll as an FIT/TFT with the Association of BC Forest Professionals (ABCFP)
4. Experience with Trimble GPS software, including post-processing of data
5. Experience with RoadEng software, including completion of deflection line analysis and road designs. Experience with LIDAR analysis would be an asset.
6. Strong project management skills, with the ability to complete projects on time and on budget
7. Excellent communication and interpersonal skills
8. Physically capable of performing field work in rugged, challenging terrain
9. A strong work ethic and the ability to work with minimum supervision, as well as the ability to direct field crews
10. Ability to work out of town, when required

In addition, experience in the following disciplines would be considered an asset:

1. Timber Cruising
2. Preparing Cutting Permits/Road Permits
3. Silviculture Site Plan Field Work
4. Forest Operations Supervision
5. Mapping/GIS
6. UAV/Drone Technology

Cascadia offers a competitive wage and benefits package commensurate with experience. If you are looking for an opportunity to work in the Fraser Valley, and are interested in joining a dynamic team where you will get significant exposure to full-phase forest management, please reply by sending a cover letter and resume with references to chris@cascadiaenvironmental.ca.

We thank all applicants for their interest; only those shortlisted will be contacted.
